

Millennium Courtyard Order Form

Please fill in the order form bricks with the desired letters and emblem number(s). The engraving will be exactly as you specify. The emblems are shown actual size - some are horizontal, some vertical, some larger, and some smaller. The order form reserves space for the large vertical/horizontal emblems. The smaller emblems require half the space of the large emblems. Design your brick to fit the emblem.

If you desire a one or two line message, use the provided order forms.

The Brick engraver will center the message.

Mail your completed order form and your check (payable to **Colonial Athletic Boosters**) to:
